

Launch Opportunity for Co-passenger Satellites on Polar Satellite Launch Vehicle (PSLV) in SSO

NewSpace India Limited (NSIL) is taking up the launch of PSLV during the September-October 2025 for its primary customer.

The spare capacity in the mission is being offered as rideshare to co-passenger satellite customers. Total excess capacity amounting to 300 kg is available in this mission.

Mission Details

- Launch Vehicle: Polar Satellite Launch Vehicle (PSLV)
- Launch Window: Sep/Oct 2025
- Target Orbit: 500-550 km Circular Low Earth Sun Synchronous Orbit
- LTDN: 1030 hrs
- Launch Site: SDSC-SHAR, India

Proposal Submission

- The Launch opportunity is open for all the domestic and international customers.
- Customers may apply for multiple satellite launches. Each satellite has to be submitted as a separate application.
- Applications to be shared to launch.services@nsilindia.co.in and gautam.asp@nsilindia.co.in

#The customers are requested to fill in the details of Launch opportunity in the template attached as Annexure-1. Political clearance for the international customers will be applied from the details provided in the Annexure-1.

Schedule

Following is the tentative schedule for the selection process till the execution of the Launch Service Agreement (LSA).

| | |
|--|--------------------------------|
| Application Submission deadline | 30 May 2025 at 2359 hrs IST |
| Confirmation from NSIL to the selected customers | 07 June 2025 |
| Signing of LSA | 30 June 2025 (tentatively) |
